

CELEBRATING 20 YEARS!

MRS. C

It was 1995 when our daughter had her first day at Twin Oaks. She was in the Pre-K class and Mrs. Rheams was her teacher. Back then, there was no Hot Lunch program, no 7th or 8th grade classes, no cheerleaders or chapel band, and no preschool. There was, and still is, a wonderful faith-based education, prayer in the school and an amazing staff that loved God and our children. We never considered sending any of our three children anywhere else.

Our daughter was a student at TOCS until her 6th grade graduation (they had a graduation ceremony since there was no middle school.) Our first son began in the Pre-k in 1998. He was a student through 7th grade. Mrs. Jones was one of his teachers in the Middle School! In 2007, our second son started in the preschool program (he loved Mrs. K!) We have had a student at TOCS every year for the past 20 years!

As parents we have had the pleasure of coaching soccer teams, basketball teams, helping as room parents and party assistants, driving on field trips, serving countless hot lunches, selling too many Entertainment Books, and enjoying the talents of so many students and teachers over the years. It is hard to imagine a time in our lives when we might not be taking “first day of school” pictures, sitting in carpool, looking through Friday folders and writing those tuition checks! We would gladly do it all over again. Twin Oaks has shaped our lives on a daily basis and has given our children a spiritual and educational foundation that will guide them as they grow and start families. Our grandson is two years old so, who knows? Maybe we will get to do it all over again!
