

TWIN OAKS CHRISTIAN SCHOOL

ANNUAL REPORT

2024-2025

Together in Christ

To those of us at Twin Oaks Christian School, donors aren't just people who provide funds for projects. They are partners in a ministry that God is using to transform student lives, equipping them to be strong in mind, courageous in heart, and rooted in Christ. Building relationships with supporters like you is one of our greatest blessings because, together, we get to watch how God uses our partnership to accomplish His purposes.

We see it in the new students we welcome each year who find a place to belong because Christ has given us belonging. We see it in the middle school Worship Team, who lead with humility and a desire to serve because that is how Christ led. We see it in the third grader with learning challenges who is reading at grade level because she's been pointed to Christ, who served faithfully despite the circumstances and never gave up on His goal. Each of these examples represents real students whose experiences at Twin Oaks Christian School are being used to point them to their Savior and to shape them for a bright future in God's Kingdom. Thank you for being part of their stories.

As you read this report, we hope you'll be encouraged by the ways your support has enabled us to carry out our mission to glorify God by nurturing spiritual development, academic excellence, and servant leadership in an environment where each child is known and loved. Together in Christ, we'll watch God take Twin Oaks Christian School where we could not go alone, all for His glory.

THE IMPACT OF YOUR GIVING

Thank you for making a difference!

This past year we saw over \$520,000 given to benefit our students and support the mission and vision of Twin Oaks Christian School. That's \$160,000 more than the previous year! People are excited about what God is doing through this ministry and investing in its growth so we can continue to carry out our mission with excellence. Join us in celebrating God's faithful provision, which He accomplished through your generous gifts.

We also want to highlight the generous \$230,000 worth of in-kind gifts we've received. This includes volunteer hours and support from Twin Oaks Presbyterian Church for both staff and facilities, giving us a grand total of donations and in-kind gifts valuing close to \$590,000!

Twin Oaks Christian School is a ministry of Twin Oaks Presbyterian Church and benefits greatly from its generous support. In addition to church attendees adopting staff members, donating chocolate and coffee, and encouraging us in our work, the church provides shared facilities, staff, and other resources equaling an annual contribution of over \$220,000! We want to extend a huge thank you to our largest supporter, Twin Oaks Presbyterian Church. We couldn't fulfill our mission without their generosity, and we are truly grateful for their partnership in the ministry of Twin Oaks Christian School.

ALUMNI SPOTLIGHT

Firm Foundation

One of my favorite verses is Colossians 3:1-3: *"If then you have been raised with Christ, seek the things that are above, where Christ is..."* It reminds me daily to live in a Christlike way.

My name is Nolan Belval, and I am a Senior at Lutheran South High School. I attended Twin Oaks from kindergarten through eighth grade, where I was given not only an excellent education but also the foundation to live a life honoring the Lord.

Some of my favorite memories include Festival of Learning projects and the giant paper maché tree my 6th-grade class built for reading time. These unique experiences made learning exciting and created lasting memories. Even more importantly, Twin Oaks shaped my faith. Through praise band, retreats, and the example of teachers like Mr. Pannkuk, I was challenged to deepen my walk with Christ.

That foundation has carried into high school, where I've been blessed to serve as a Kairos leader, FCA leader, and freshman mentor. Each opportunity has allowed me to guide others in their faith, just as Twin Oaks teachers once guided me. The lessons I learned about problem solving, leadership, and faith in action continue to influence the way I live and lead today.

After graduation, I plan to attend Mizzou to study mechanical engineering. My hope is to use the gifts God has given me to serve others and be a light in whatever community He places me.

To the donors and supporters of Twin Oaks, thank you. Your generosity gave me the foundation to grow in my faith, build lasting relationships, and develop leadership skills that will stay with me for life. You are not just supporting a school—you are raising the next generation of Christian leaders who will carry Christ's love into the world.
